### **Discovery Questions**

- Share a time when your hope in Christ brought you through a tough situation. Share that briefly.
- How did that hope, and experience renew you? What was the result of that renewal?
- Do have a 1 minute, 5-minute, 10-minute story to be ready to share? Think for a moment then share a 1-minute version.

### **Putting It Into Practice**

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Make a commitment to Christ

Let the first mile of your hope be to first make a commitment to God. Allow him to lead you on your journey. Commit to focusing on Him and giving him your best over these next eight weeks.

2. Attend your LIFE group

It is important for us as a group to gather consistently over the next eight weeks as we learn more and more about meeting Jesus. Our gathering is not just to learn the concepts but to support one another on our journey and to do life together. Your group benefits from your presence and your input is valuable. Commit to one another to be consistent in meeting together.

3. Attend Church Gatherings (Live or Online)

Everything we do together over this next eight weeks is designed to help equip you in your own personal understanding of Jesus. Attending the weekend gatherings will help reinforce what you are learning in your group.

## **Prayer Time**

As a group spend some time in prayer together about the study you are doing together. You may want to spend some time sharing some things you are struggling with and pray for one another. Pray that each member of the group will grow personally through this study.

TIP: Use index cards to submit a prayer request for you. Of course, it is always valuable to pray for others (and there are other opportunities to do so) but in the moment make it personal. Exchange cards by gender so you may be prayed for throughout the week.
