## **WATCH THE VIDEO WITH YOUR GROUP NOW!**

### **Discovery Questions**

- How would you rate the peacefulness of your life on a scale of 1 – 5? Why? What is 1 area of your life where you desire to be more right with God? Share that with your group.
- Are you a peacekeeper or peace maker? Peacekeepers may tend to avoid conflicted situations while peace makers develop environments that are peaceful.
- Discuss your responsibility to share God’s peace. What does this look like for you? What might be some concerns or obstacles?

### **Putting It Into Practice**

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Make a commitment to being more peaceful.

Be attentive to those areas that cause you stress, anxiety, or conflict. How can God's offer of peacefulness in Him enter more into your life as a guide to deal with these areas?

2. Attend and share with your LIFE group.  
Who, in the group, can you share with that can then be a sounding board for you? It is important for us as a group to gather consistently over the next weeks as we learn more and more about the attitudes of Jesus. Our gathering is not just to learn the concepts but to support one another on our journey and to do life together. Your group benefits from your presence and your input is valuable.
3. Attend Church Gatherings (Live or Online)  
Everything we do together over this next week is designed to help equip you in your own personal understanding of Jesus. Attending the weekend gatherings will help reinforce what you are learning in your group.

## **Prayer Time**

As a group spend some time in prayer together about the study you are doing together. Celebrate the answered prayers this week.

TIP: Break into smaller subgroups to pray for one another as you wrap up your group time today. Make it personal.
