Discovery Questions

- Think of a time when you encountered a known coming event in your life you were unprepared to handle. How did you handle it and what could you have done to be more prepared?
- Discuss some ways each of you can prepare for Jesus coming. Have you prepared in such ways? Why or why not?
- What does it mean to live in the light of Jesus first coming? Does His first coming matter to His return? How so?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Living in the light of eternity
What can you do differently this week to live out those things you identified in Question 2? What is 1 step you were willing to take? Share with your group.

2. There are uncertainties about Jesus second coming.
Consider ways that you can accept those uncertainties. Find a couple of scriptures that will give you hope in the light of the unknown. Pray them this week.

Prayer Time

Spend some time praying about how each of you can live in the light of eternity. Who else needs to be prayed for that does not know Jesus and the offer of eternal life? Pray for those people.

TIP: gather in smaller groups of two or three by gender to pray.
