Discovery Questions

- Whom is Jesus addressing and for what desired result?
- What obstacles do you find in the 4-step reconciliation process? What happens when this process is short circuited by going public?
- What authority is given to Jesus’ followers to aid the process?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Conflict Resolution

Is there someone you need to go to in private to address a conflicted situation? Consider how you might approach this based on today's video.

2. Resentment

Search your heart this week for any resentment that you may carry. What could you do to address this and release you from any bitterness you may hold?

Prayer Time

As a group spend some time in prayer for the reconciliation process. Also pray for any immediate needs within the group.

TIP: Practice authenticity in your prayer time in this week's group to strengthen your personal growth.
