Discovery Questions

- Has there been a time when you felt entitled to something that you did not receive? Explain.
- How did that entitlement creep into your thinking? How did you justify it and now in light of scripture does that illuminate as an unhealthy state of mind?
- How did Jesus deal with entitlement, what about His behavior demonstrated a different way of thinking?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Entitlement breakers

Look for times this week when entitlement may be influencing your thinking. Look for ways to deal with it before it takes hold as Jesus had done.

2. Cultural Equality

What does equality look like within our culture today? How is that different from what Jesus taught. How can you bring the Jesus way this week to promote unity?

Prayer Time

Spend some time in prayer for unity in the way Jesus dealt with considering others more important than self and not exploiting equality for ones benefit.

TIP: Write down some of those prayers to continue to pray throughout the week.
