Discovery Questions

- What did or do you like to collect? What is it about the collection that attracts you to it? What collection were you most proud?
- What is the man’s problem in this parable? What is his solution and what is foolhardy about the solution?
- When have you been like the man in this story? How can or did you become richer toward Christ as a result of evaluating cultural options versus Christ centered options?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Lifestyle Change

What is 1 change you would consider in order to make a move closer to Christ and a bit further from cultural challenges and become more “rich toward God”?

2. Share Your Plan with Someone

In number 1, share what you would like to address and share that with a trusted accountability partner(s). This will help you to achieve what you have set out to do.

Prayer Time

Prayer together as a group about the impact of the series on your lives today and into the future to create new healthy habits. Pray in thankfulness for what God has shown you.
