Discovery Questions

- Which story or idea from the first eleven chapters of Genesis has resonated most with your life?
- What conversations has the series caused you to have with God? What conversation has it caused you to have with others?
- Which of the major truths that Pastor Scott discussed is most overlooked in our day to day lives? Why do you think we don't give that truth the attention it deserves?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. Dig Deep into Relationships

After reflecting on these eleven chapters of Genesis we can see that the story of humanity is the story of relationships. What relationships in your life need to be reconciled? What relationships need to be given boundaries? Take time this week to think through how you can reimagine your relationships in a way that honors God.

2. Attend Family Life Weekend

Family Life Weekend (Feb 18-20) is an incredible opportunity to grow as a church family and for your individual family through teaching, workshops, fellowship, and more. And family doesn't just mean those with kids at home! No matter what stage of life you're in, you have a family. We want to see you there!

Prayer Time

As a group spend some time in prayer together asking God to continue the work he's begun in your group during this series.
