Discovery Questions

- Have you experienced a time out of fear you did not tell the truth? What were you fearful of?
- Fear is a very real emotion. Often resulting in some type of consequence. How can we NOT be motivated out of fear?
- Are you a fearful person? Uncertain about the future?

Putting It Into Practice

Each week Pastor Scott will challenge you to put into practice what you are learning. These challenges will help you take the concepts we are learning

deeper into your life and help you with your own personal hope. This week Pastor Scott challenges us to:

1. We live in uncertain times. Pandemic, wars, rumors of wars, etc. God calls us to live our life out of our faith in him, not by fear. God knew that fear is something we would face, perhaps that is why “Fear Not” is mentioned 365 times in the bible. One “Fear Not” for every day of the year! This week begin to learn and know God’s Character. Journal what you learn. Here is a little help to get your started:

Characteristics of God

- He has no beginning and no end (Revelation 21:6)
- He is grace and truth (John 1:14)
- He is eternal (Deuteronomy 33:27)
- He is faithful (I Corinthians 10:13)

2. The stronger our relationship with God is, the less we will fear. So, if you are fearful – check the depth of your relationship with God. Start today to build a deeper relationship with God by learning and knowing his attributes. Journal what you learn.

Attributes of God

- **Creator** - The whole of creation came into existence through the will and power of God.
- **Life Giver** - All of life was and is created by God and is dependent on Him.
- **Omnipresence of God** - God is present everywhere at all times.
- **Sovereignty of God** - God created everything and therefore all things are under His control.
- **Holiness of God** - God is set apart from His creation.

There is so much more to God than these short lists. Enjoy your journey of knowing God. Remember, there is a powerful source (the body of Christ) that is praying for you!

Prayer Time

As a group spend some time in prayer together about the study you are doing together. Celebrate any answered prayers from last week.

Pray together as a group for God to instill a desire to know Him more and to know His character and attributes.
